PRESS RELEASE

This announcement is not an offer of securities in the United States or any other jurisdiction. The Bonds (and underlying shares) may not be offered or sold in the United States absent registration or an exemption from registration under the U.S. Securities Act of 1933, as amended. PUBLICIS GROUPE ANNOUNCES THE OFFERING OF CONVERTIBLE BONDS

Paris, June 16 2009 -- Publicis Groupe is launching today an offering of convertible bonds (OCEANE)¹, due July,30 2014, for an approximate amount of €625 million, which may be increased up to a maximum amount of €719 million in the event that the over-allotment option is exercised.

Publicis Groupe has decided to address its refinancing needs at a time in which it believes conditions are favorable. The offering markedly increases the Group's liquidity and, in particular, contributes to the extension of the Group's debt maturity profile.

The par value of the Bonds will correspond to a conversion premium between 33% and 38% over Publicis Groupe's reference share price. The bonds will bear interest at an annual rate between 2.75% and 3.50% per annum, payable semi-annually.

For illustrative purposes, on the basis of its closing share price on June 15, 2009 (€21.19), the number of new shares to be issued, in the event that all bonds offered are converted, would be between €21.4 million and €25.5 million. This transaction will have the effect of slightly improving the Company's ratio of net debt to equity.
